

Quick tips for self-care

12 free ideas to help you lower stress and take care of yourself!

Things you can do:

Look at photos of memories on your phone that make you happy.

Listen to music that never fails to calm you down or cheer you up.

Reach out to a friend or loved one that you haven't talked to in a while.

Stretch or do yoga. You can use a free app or YouTube.

Take a nap or go to bed early. Sleep is good for physical and mental health.

Breathe in for a count of 4, hold for 7, then out for 8.

Take a break from social media for one full day.

Read a book or listen to a new episode of your favorite podcast.

Do something you enjoy every day, even for a short time.

Places you can go:

Your local art or history museum on their free-to-the-public days.

Your local botanical garden on a free-to-the-public day.

On a walk in a local park during the day and enjoy nature.
